# INSTRUCTIONS FOR FILING A PETITION FOR CHANGE OF NAME

### Where to File

The petition for change of name must be filed in the superior court of the county where the person whose name is to be

# Whose Name May Be Changed

The petition may be used to change one's own name and, under certain circumstances, the names of others (e.g., children under

# **Confidentiality of Certain Names**

In cases in which the petitioner is a participant in the Secretary of State's address confidentiality program (Safe at Home), petitioner's current and proposed names may be kept confidential. (Code Civ. Proc., § 1277(b).) See Information Sheet for Name Change Proceedings Under Address Confidentiality Program (Safe at Home) (form NC-400-INFO) for additional instructions when

## What Forms Are Required

Prepare an original and two copies of each of the following documents:

- a. Petition for Change of Name (form NC-100)
- b. Name and Information About the Person Whose Name Is to Be Changed (Attachment to Petition) (form NC-110) (attach as many copies as necessary)
- c. Order to Show Cause for Change of Name (form NC-120)
- d. Decree Changing Name (form NC-130 or, for guardians, form NC-130G)

In addition, a guardian must prepare and attach a Declaration of Guardian (Supplemental Attachment to Petition) (form NC-110G) for each child whose name is to be changed. Filing and Filing Fee

Prepare an original Civil Case Cover Sheet (form CM-010). File the original petition and Civil Case Cover Sheet with the clerk of the court and obtain two filed-endorsed copies of the petition. A filing fee will be charged unless you qualify for a fee waiver. (If you want to apply for a fee waiver, see *Application for Waiver of Court Fees and Costs* (form FW-001); *Information Sheet on Waiver of Court Fees and Costs* (form FW-001-INFO); and *Order on Application for Waiver of Court Fees and Costs* (form FW-003.)

# Requesting a Court Hearing Date and Obtaining the Order to Show Cause

You should request a date for the hearing on the Order to Show Cause at least six weeks in the future. Take the completed form to the clerk's office. The clerk will provide the hearing date and location, obtain the judicial officer's signature, file the original, and

# Publishing the Order to Show Cause

In most cases, a copy of the Order to Show Cause must be published in a local newspaper of general circulation once a week for at least four consecutive weeks before the date of the hearing. The petitioner selects the newspaper from among those newspapers legally qualified to publish orders and notices. The newspaper used must file a Proof of Publication with the superior court before the hearing. If no newspaper of general circulation is published in the county, the court may order to Show Cause to be posted by the clerk. But petitioners do not have to publish the order if they are participants in (1) the State Witness Program or (2) in the address confidentiality program and the petition alleges that they are (a) petitioning to avoid domestic violence, or (b) petitioning to avoid stalking, or (c) the petitioner is, or is filing on behalf of, a victim of sexual assault.

- a. If a petitioning parent is requesting the name change for a child under 18 years of age, and one of the parents, if living, does not join in consenting to the name change, the petitioning parent must have a copy of the Order to Show Cause or notice of the time and place of the hearing served on the nonconsenting parent. Service must be made at least 30 days prior to the hearing under Code of Civil Procedure section 413.10, 414.10, 415.10, or 415.40.
- b. If the nonconsenting parent resides in California, the order or notice must be personally served on the nonconsenting parent. The petitioning parent cannot personally serve this document.
- If the nonconsenting parent resides outside California, he or she may be served by sending a copy of the order or notice by first-class mail, postage prepaid, return receipt requested.
- d. If a petition to change the name of a child has been filed by a guardian, the guardian must (1) provide notice of the hearing to any living parent of the child by personal service at least 30 days before the hearing, or (2) if either or both parents are deceased or cannot be located, serve notice of the hearing on the child's grandparents, if living, not less than 30 days before the hearing under Code of Civil Procedure section 413.10, 414.10, 415.10, or 415.40.

If you have served a parent or grandparents, file a copy of the completed Proof of Service of Order to Show Cause (form NC-121) with the court before the hearing. Court Hearing

If no written objection is filed at least two court days before the hearing, the court may grant the petition without a hearing. Check with the court to find out if a hearing will be held. If there is a hearing, bring copies of all documents to the hearing. If the judge grants the petition, the judge will sign the original decree.

10. If you want to amend a birth certificate to show the name change, you should contact the following office:

California Department of Health Services, Office of Vital Records MS 5103, P.O. Box 997410, Sacramento, CA 95899-7410 Phone: (916) 445-2684, Web site: www.dhs.ca.gov

Local courts may supplement these instructions. Check with the court to determine whether supplemental information is available. For instance, the court may provide you with additional written information identifying the department that handles name change petitions, the times when petitions are heard, and the newspapers that may be used to publish the Order to Show Cause.

# INSTRUCTIONS ON HOW TO COMPLETE THE COVER SHEET

To Plaintiffs and Others Filing First Papers. If you are filing a first paper (for example, a complaint) in a civil case, you must complete and file, along with your first paper, the Civil Case Cover Sheet contained on page 1. This information will be used to compile statistics about the types and numbers of cases filed. You must complete items 1 through 6 on the sheet. In item 1, you must check one box for the case type that best describes the case. If the case fits both a general and a more specific type of case listed in item 1, check the more specific one. If the case has multiple causes of action, check the box that best indicates the primary cause of action. To assist you in completing the sheet, examples of the cases that belong under each case type in item 1 are provided below. A cover sheet must be filed only with your initial paper. Failure to file a cover sheet with the first paper filed in a civil case may subject a party, its counsel, or both to sanctions under rules 2.30 and 3.220 of the California Rules of Court.

To Parties in Rule 3.740 Collections Cases. A "collections case" under rule 3.740 is defined as an action for recovery of money owed in a sum stated to be certain that is not more than \$25,000, exclusive of interest and attorney's fees, arising from a transaction in which property, services, or money was acquired on credit. A collections case does not include an action seeking the following: (1) tort damages, (2) punitive damages, (3) recovery of real property, (4) recovery of personal property, or (5) a prejudgment writ of attachment. The identification of a case as a rule 3.740 collections case on this form means that it will be exempt from the general time-for-service requirements and case management rules, unless a defendant files a responsive pleading. A rule 3.740 collections case will be subject to the requirements for service and obtaining a judgment in rule 3.740.

To Parties in Complex Cases. In complex cases only, parties must also use the Civil Case Cover Sheet to designate whether the case is complex. If a plaintiff believes the case is complex under rule 3.400 of the California Rules of Court, this must be indicated by completing the appropriate boxes in items 1 and 2. If a plaintiff designates a case as complex, the cover sheet must be served with the complaint on all parties to the action. A defendant may file and serve no later than the time of its first appearance a joinder in the plaintiff's designation, a counter-designation that the case is not complex, or, if the plaintiff has made no designation, a designation that CASE TYPES AND EXAMPLES Contract
